has not been explained. The omission should be supplied. Meanwhile the estimate will stand

VII Mohatarfa. The increase under this head, which is chiefly under "(d) Cart tax" is spread over almost all the municipalities in the District and is due to the operation of Govt Pro dated 25/June/98 Rs 14641-50 cts Rs 12459-92, authorizing the levy of cart tax on agricultural carts in municipal towns. The estimate is approved.

VIII Rents. The new estimate under "(d) Shops" is explained to be due to the income expected from the renting of butchers stalls in Dodballapur recently sanctioned, but the source from which an increase of Rs 80 is anticipated in the Budget of the town under the head "Market" has not been stated. The omission should be supplied. Meanwhile the

estimate will stand.

X Miscellaneous (a) Sale of Lands.

The large falling off of revenue under this head in the Budgets of Hoskote, Vadigenahalli and Doddballapur is due to there being no demand for building sites.

X Miscellaneous (m) Contributions.

The provision that has to be made under this head on account of mileage allotment payable to the Municipality of Chelamangala for the maintenance of Provincial roads within the town is only Rs 144, while the estimate entered is Rs 162 or 18 more. The necessity for the excess provision required explanation. Pending information, the estimate will stand.

Expenditure

II Head office. An increase of Rs 128 is provided under this head. Of this sum Rs 120 is on account of the increase of pay proposed to be given to the two clerks in the District office in Dy Comm's etc 1022 dated 11th May 1896, but the necessity for the balance of Rs 8 has not been explained. The former item having been disallowed by Govt. the increase proposed will be struck out, but this former it

III Collection The necessity for the increase of Rs 6 provided under this head in the Budget of Yelahanka has not been explained. As the remuneration payable to the village servants for the collection of House and Mohatarfa taxes is only Rs 22 and at 2 per cent, the estimate will be reduced to Rs 22.

IV Conservancy Establishments

The proposed employment of new hands, and increases ~~provided for the~~ in the salaries of existing establishments as per details given in the margin account for the increase under this head. Of these items, the employment of a peon in Devanhalli and the increase from 6 to 7 of the head sweepers salary in Closepet are

were temporarily sanctioned for 4 months in 1895-96 and this inclusion in the Budgets for 1896-97 is approved. The remaining items will be retained in the Budgets, pending the issue of final orders of Government on the submission by the Dy Commr. of separate references in regard to them, but no expenditure should be incurred thereon till such sanction shall have been obtained. It is noted that the Budget of Vadigenahalli makes no provision for the pay of Rs 5 whose employment is temporarily sanctioned in Govt Pro: dated 22nd February 1896 No. 9814-5 L.F. 164-94 with a remark that the necessary provision might be made for his salary in the Budget for 1896-97: It is presumed his services are not required after 30th June 1896.

IV Conservancy (b) other charges.

Of the marginally noted increases the only item calling for notice is the provision of Rs 240 made for the proposed employment of a cart for the removal of sweepings in the town of Doddballapur —

This will be allowed to stand but no expenditure will be incurred therefrom till final orders are passed by Govt on a separate reference which the Dy Comr is requested to submit. The other increases are small and are sanctioned

VII Lighting. Provision is newly made in some of the budgets for the purchase of additional lamp posts and lanterns and for lighting them. This accounts for the increase in the estimate which is approved

VIII Public works. The provisions made under this head on account of the construction and maintenance of roads, drains, wells &c are approved; but the attention of the Dy Comr is invited to Govt Pro dated 8.12.1889 No 6861-20/157 and he is requested to see that in future details of works provided under each sub-head shown in Budget Statement No I are given in Budget statement

Statement No II of works.

IX Charitable Grants. The details of the provision of Rs 205 made on account of the dispensary to be opened at Yelahanka will be entered in the Budget as shewn in the margin. The budgets of Hoskote, Kankanahalli and Anekal newly provide Rs 65 each on account of the salaries of midwives to be employed in them. The provisions under this head will be returned, subject to the submission of a statement shewing the names and salaries of midwives in the several Taluks with proportionate cost chargeable to municipal funds of the several towns and the D. The other items call for no remarks and are passed.

The Budget estimates of the

Rents.*—The new estimate under "(*d*) Shops" is explained to be due to the income expected from the renting of butchers' stalls in Dodballapur, recently sanctioned, but the source from which an increase of Rs. 80 is anticipated in the budget of the town under the head "Market" has not been stated. The omission should be supplied. Meanwhile the estimate will stand.

*X. Miscellaneous (a) Sale of lands.*—The large falling off of revenue under this head in the budgets of Hoskote, Vadigenhalli and Dodballapur is due to there being no demand for building sites.

*X. Miscellaneous (m) Contribution.*—The provision that has to be made under this head on account of mileage allotment payable to the municipality of Nelamangala for the maintenance of Provincial roads within the town is only Rs. 144, while the estimate entered is Rs. 162 or Rs. 18 more. The necessity for the excess provision requires explanation. Pending information, the estimate will stand.

## EXPENDITURE.

*II. Head Office.*—An increase of Rs 128 is provided under this head. Of this sum Rs. 120 is on account of the increase of pay proposed to be given to the two clerks in the District office in Deputy Commissioner's No. 1022, dated 11th May 1896, but the necessity for the balance of Rs. 8 has not been explained. The former item having been disallowed by Government in this office No. 13381—L F 386-92, dated 12th June 1896, the increase proposed will be struck out, and the provision thus reduced will be re-distributed among the several municipalities in the District as shown in the margin.

*III. Collection.*—The necessity for the increase of Rs. 6 provided under this head in the budget of Yelahanka has not been explained. As the remuneration payable to the village servants for the collection of house and mohatarfa taxes is only Rs. 22 at 2 per cent, the estimate will be reduced to Rs. 22.

*IV. Conservancy Establishments.*—The proposed employment of new hands and the proposed increases to the salaries of existing establishments as per details given in the margin account for the increase under this head. Of these items, the employment of a peon in Devanhalli and the increase from Rs. 6 to 7 of the head sweeper's salary in Closepet were temporarily sanctioned for 4 months in 1895-96 and their inclusion in the budgets for 1896-97 is approved. The remaining items will be retained in the budgets pending the issue of final orders of Government on the submission by the Deputy Commissioner of separate references in regard to them, but no expenditure should be incurred till such sanction shall have been obtained. It is noted that the budget of Vadigenahalli makes no provision for the peon on Rs. 5 whose employment was temporarily sanctioned in Government Proceedings, dated 22nd February 1896, No. 9814-5—L. F. 164-94. It is presumed his services are not required after 30th June 1896.

*IV. Conservancy (b) Other Charges.*—Of the marginally noted increases the only item calling for notice is the provision of Rs. 240 made for the proposed employment of a cart for the removal of sweepings in the town of Dodballapur. This will be allowed to stand but no expenditure should be incurred therefrom till final orders are passed by Government on a separate reference which the Deputy Commissioner is requested to submit. The other increases are small and are sanctioned.

*VII. Lighting.*—Provision is newly made in some of the budgets for the purchase of additional lamp posts and lanterns and for lighting them. This accounts for the increase in the estimate, which is approved.

*VIII. Public Works.*—The provisions made under this head on account of the construction and maintenance of roads, drains, wells, &c., are approved; but the attention of the Deputy Commissioner is invited to Government Proceedings, dated 8th December 1889, No. 6861-70—157, and he is requested to see that in future details of works provided under each sub-head shown in budget statement No. I are given in budget statement No. II of works.

*IX. Charitable Grants.*—The details of the provision of Rs. 205 made on account of the dispensary to be opened at Yelahanka will be entered in the budget as shown in the margin. The budgets of Hoskote, Kankanhalli and Anekal newly provide Rs. 65 each on account of the salaries of midwives to be employed in them. The provisions under this head will be retained subject to the submission of a statement showing the names and salaries of midwives in the several taluks with proportionate cost chargeable to Municipal Funds of the several towns and the District Funds of the Bangalore circle.

The other items call for no remarks and are passed.

Para 2 of Prs

Adverting to Government Proceedings No. 251-6 dated 7th July 1896 L.F. 128-95 sanctioning the Budget-Estimates of the minor municipalities of the Bangalore District for 1896-97, I have the honor to state that, under II House tax, the increase of Rs 300/- in the Kankanhalli Municipality is expected from the increased number of taxable houses and vacant sites; while the increase of Rs 200/- in the Channapatna Municipality is expected from the Mohalla revision under contemplation.

May this be accepted and the estimates passed.

2. The increase of Rs 80/- is expected under VIII Rents in the Doddaballapur Municipality.

The explanation throws no light whatever. The increase must be under markets, it should have been explained how the increase is expected.

3. The amount that was usually received towards X(m) Contribution in the Nelamangala Municipality from the Public Works Department was Rs 162/- and not Rs 144/- ⊕ Of late, the Public Works Department has settled that only 4* furlongs of the Provincial Roads lie within municipal limits, involving

⊕ Rs 144 is correct. Please see Procs SD 20-9 dt 18/9/93 L.F. 77-93

* Length is 5 furlongs = 1632 yards.

a proportionate reduction in the contribution viz: Rs 100/- The estimate has therefore to be reduced by Rs 62/.

4. The employment of a Mutsuddi on Rs 8/. to Devanhalli is indispensable for the maintenance and up-keep of the several Registers, preparation and submission of the numerous returns, bills, &c prescribed by Government. Sanction is accordingly requested therefor.

5. The increase of one rupee to the pay of each of the 6 sweepers at Devanhalli, 5 at Dod Ballapur, 8 at Closepet, 4 at Anekal, 2 at Sarjapur and 2 at Dommasandra has been retained in the Budget pending final orders. This kind of special labour is not local and has to be imported. The men and their wives are both employed by the several municipalities, and they clamour for more pay, seeing that in the City of Bangalore they are better paid. They threaten to strike and run away when their pay is inadequate. The proposed increase is thus unavoidable.

6. As regards the increase of pay from Rs 5/. to Rs 6/. to the Municipal peon at Dod Ballapur, I beg to state that there is no Mutsaddi in the town. It is the practice to appoint a literate man as peon and make

Market" and his explanation contained in para 2 of the above letter is to be quoted points out the budget head and not the building or buildings from which rent is collected. This should now be stated.

The Dy Comr now states that the amount payable by the P. W. D for the maintenance of Provincial roads lying within

the municipal limits of Nelamangala was Rs 162 and not Rs 144, and that recently the D. P. W. fixed the contribution at Rs 100 on 4 furlongs of the Provincial roads. It is observed that under Govt Proceedings etc 5020-9 / L-377-93 dated 18th September 1893 the length of Provincial roads stated by the Chief Engineer was 5 furlongs and 163 yards and the contribution payable thereon Rs 144. The Chief Engineer is now requested to state the circumstances under which the length of Provincial roads in the town of Nelamangala and the contribution payable thereon to the municipality. Pending the issue of final orders on receipt of Chief Engineer's reply, the estimate will stand.

3) II Conservancy — Expenditure

It is explained that the employment of a Mutsaddi at Devenahalli is indispensable for the maintenance of

of the several registers and preparation and submission of the numerous returns, bills &c prescribed by Govt. The proposed entertainment of a Mutsaddi for the Devanahalli will accordingly be sanctioned and the provision made therefor passed.

(4) For reasons now explained by the Dy Coms in paras 5 & 9 of his letter the increases proposed for the Sweepers of the marginally noted municipalities will be sanctioned and the provision tentatively retained in the budgets will be approved.

and the employment of 2 additional sweepers at Doddaballapur

(5) The Dy Coms now proposes that instead of raising the salary of the peon at Doddaballapur from Rs 5 to 6, for which provision has been tentatively retained, a Mutsaddi may be employed on a salary of Rs 8 per mensem ~~at cost increased cost of Rs 3 per annum~~. This should form the subject of a separate ~~correspondence~~ communication which the Dy Coms is requested to submit. ~~Meanwhile the provision~~

(7) IX Conservancy (b) Other charges In regard to the provision of Rs 240 made in the budget of Doddaballapur for the hire of 2 conservancy carts, the Dy Comr states that arrangements have been lately made to remove the manure by contract and proposes that the "excess expenditure" may be struck out. The provision of Rs 240 will accordingly be struck out.

(8) IX Charitable Grants The provisions made under this head for the salaries of midwives will be modified as directed in Pro c/o $\frac{5813-4}{55-93}$ dated 21st Novr 1896

*Proceedings of the Government of Mysore,*

READ :—

Letter No. 450, dated 2nd November 1896, from the Deputy Commissioner of Bangalore, submitting the explanations called for in Government Proceedings No. 251-6—L. F. 128-95 in regard to the budget estimates of the several minor municipalities of the district for 1896-97.

---

No. 6634-7—L. F. 128-95, DATED, BANGALORE, 9TH DECEMBER 1896.

RECEIPTS.

ORDER THEREON.—*VIII. Rents.*—The Deputy Commissioner was requested to state the source from which an increase of Rs. 80 was anticipated in the budget of the town of Dodballapur under the head "VIII. Rents, Markets" and his explanation contained in para 2 of the above letter points out the budget head and not the building or buildings from which rent is collected. This should now be stated.

2. *X. Miscellaneous, (m) Contribution.*—The Deputy Commissioner now states that the amount payable by the Public Works Department for the maintenance of provincial roads lying within the municipal limits of Nelamangala was Rs. 162 and not Rs. 144 as stated in the proceedings quoted above, and that recently the Public Works Department fixed the contribution at Rs. 100 on 4 furlongs of the provincial roads. It is observed that under Government Proceedings No. 5020-9—L. F. 77-93, dated 18th September 1893, the length of provincial roads as stated by the Chief Engineer was 5 furlongs and 163 yards and the contribution payable thereon Rs. 144. The Chief Engineer is requested to state the circumstances under which a reduction has been made in the length of provincial roads in the town of Nelamangala and in the contribution payable thereon to the municipality. Pending the issue of final orders on receipt of the Chief Engineer's reply, the estimate will stand.

EXPENDITURE.

3. *IV. Conservancy.*—It is explained that the employment of a mutsaddi at Devanhalli is indispensable for the maintenance of the several registers and preparation and submission of the numerous returns, bills, &c., prescribed by Government. The proposed entertainment of a mutsaddi for the Devanhalli municipality will accordingly be sanctioned and the provision made therefor passed.

4. For reasons now explained by the Deputy Commissioner in paras 5 and 9 of his letter the increases proposed for sweepers of the marginally noted municipalities and the employment of two additional sweepers at Dodballapur will be sanctioned and the provision, tentatively retained in the budgets, will be approved.

The Deputy Commissioner now proposes that instead of raising the salary of the peon at Dodballapur from Rs. 5 to 6, for which provision has been tentatively retained, a mutsaddi may be employed on a salary of Rs. 8 per mensem. This should form the subject of a separate communication which the Deputy Commissioner is requested to submit.

6. Sulibele being nearly 12 miles from Hoskote, the Deputy Commissioner states that a separate mutsaddi for that place is absolutely necessary. The provision made for his pay is accordingly approved.

*Local Boards Branch, Municipal, dated 9th December* 1896.

Conservancy, (b) Other charges.*—In regard to the provision of Rs. 240 made in the budget of Dodballapur for the hire of two conservancy carts, the Deputy Commissioner states that arrangements have been lately made to remove the manure, &c., by contract, and proposes that the "excess expenditure" may be struck out.
